FPS68 DEPLOYER® XP LOADOUT BAG

PRODUCT DESCRIPTION:

An identical but cost-effective version of the FOR68 available in red, black or yellow only. Our flagship bag for moving large loads, the Deployer® XP 's trapezoid shaped base is a stable platform when rolling over rough surfaces or curbs. Popular with the military for its ability to fasten an FOR76 on top making an "Ultimate Loadout System", that will carry a Soldier's "A, B, and C" loadouts (mandatory gear) this bag will also serve well on expeditions or family adventures for years to come.
