FPS76 SMARTPACK LOADOUT BAG

PRODUCT DESCRIPTION:

An identical but cost-effective version of the FOR76 available in black, red, or yellow only. A perfect sized duffel packed with features. Like all FPG bags, the FPS76 was designed to live from with its vented SmartPockets, separate end pockets, and stowable Shoulder Straps. Popular with the military for its ability to be fastened to an FPS68 making an "Ultimate Loadout System", which carries a Soldier's "A, B, and C" loadouts (mandatory gear) this bag will also serve well on expeditions or family adventures for years to come.

PRODUCT DETAILS:

Dimensions: 36" L x 15" Dia, (91cm L x 38cm Dia)

Capacity: 6361 Cubic Inches, (104) liters

Weight: 6 lbs., (2.7kg) empty

Colors available: Black, Red, Yellow

PRODUCT FEATURES:

- ✓ Two vented SmartPockets inside main compartment that separate the load as well as provide stabilization when carrying as a backpack
- ✓ Closed Cell Foam Padding System protects your gear and supports the bag
- ✓ When full, the SmartPockets provide additional protection to sensitive items in complimenting the dense closed cell foam padding system
- ✓ Ergonomic shoulder straps make the load comfortable when needed; Stow them in their dedicated housing when you don't
- ✓ Generous End Pockets add to the spacious interior
- ✓ YKK water resistant zippers help keep things clean and dry
- ✓ Pairing with the FOR68 or 84 makes the "Ultimate Loadout System" which is great for airline weight restrictions
- ✓ [Smaller Deployer® and Lightfighter® size bags can be used as a rolling chassis but SP15 Extender Straps are needed](#)
- ✓ "Gym Bag" Handle will not tear out regardless of weight
- ✓ Re-enforced heavy-duty end handles
- ✓ All zippers have 550 Para Cord pulls
- ✓ TAA Compliant
- ✓ Lifetime Manufacturer's Warranty
