FOR60 LIGHTFIGHTER® LOADOUT BAG

PRODUCT DESCRIPTION:

The "Original Rolling Footlocker" with over 30,000 sold and in use worldwide. Slightly longer than the Deployer, the Lightfighter® features a padded laptop compartment as well as a general-purpose pouch inside. Designed to be lived out of, the Lightfighter has mesh pockets, perfect for smaller items, in the lid and specific "D-Rings" you can attach to your bunk. With enough room for extended journeys or several months deployment, as well as longevity features FPG is known for, the Lightfighter® will be with you for years to come.
